### **Interests and Achievements**

I am a senior member of the Mourne Golf Club, I am a current member of IFS MMA club with previous experience in competition. I also have a membership at PureGym which an additional vocational activity is I partake in. I have a keen interest in modern technologies, latest design technologies and frameworks. I also have an interest in the field of artificial intelligence and advancements in machine learning.

## **Work experience**

May 1<sup>st</sup> 2018 – Current: **Freelance Web and graphic designer**

Freelance web designer providing clients with web applications, hosting, security, back-ups and search engine optimisation with all applications launched. I used a content management system – WordPress which is a popular CMS used for building web applications.

May 1<sup>st</sup> 2019 – Current: **Self Employed Social Proofing Web Application Owner**

Began a solo venture where I studied the largest social media platforms, from the studies I created algorithms and an automated application for users to boost their followers, automate social interactions and gain mass likes on pages which I targeted at start-up companies.

I developed knowledge of digital marketing, the capabilities of social media platforms for businesses and how to target customers directly online.

January 29-May 4<sup>th</sup> 2018: **Web Designer and social media designer for Plus2Print**

Shadowed a graphic and web designer and came up with innovative approaches to design via research of trends, trial and error.

I developed knowledge of design, web hosting and CMS's. I also gained skills with software programmes Adobe Illustrator and Adobe InDesign.

May 2010- current: **Caddy at Royal County Down Golf Course, Newcastle**

Delivered a high standard caddy service for sports players both professional and non-professional. I participated in events such as the Irish Open 2015, Senior Amateur Open 2015, 4 provinces of Ireland Cup 2013 and Palmer Cup 2013.

During these events I experienced several roles, Senior Caddy, ball spotting, score board and meeting and greeting. I learned communicational and multi-cultural skills via experiences at the Royal County Down Golf Club.

October 2016 - March 2017: **Recruitment Manager for TABU Newry Night life**

Organised group of individuals providing individuals with a task to complete, I monitored TABU teams' progress whilst providing professional assistance where needed.

I was placed in charge of event sign in for guest and I used a Glistrr account to promote TABU Newry Nightlife keeping financial records and verifying number of customers.

January – July 2015: **Kitchen Porter Brunel's /Anchor, Newcastle**

I cleaned and maintained hygiene of Brunel's kitchen and utensils. Experience improved ability to cope with pressure in a much more professional manner. Trusted to clean kitchen under no supervision.

June – August 2015: **Bar Staff Mourne Golf Club bar, Newcastle**

Collaborated with others improving communicational skills via handling money by processing orders and supplying customers with a professional friendly service.
